Dear Halifa Halifax

SKEPSIS Consult is a well-established and successful business in the field of Web Development. Our knowledge, abilities, and personalised customer support together with commitment and loyalty helped us achieve the best way to fulfil the necessities and requirements of our clients.

Our business was established in 1993 and at the moment we have 12 employees. With our office in Bucharest, capital of Romania, we provide the best outsourcing solution for our customers around the world.

The fact that we provide consulting services and customer support in German and English language helps us maintain customer satisfaction at the highest level.

With a special attention for details we provide a cost-effective and top-quality solution.

**Best regards,
SKEPSIS Consult**
